CIRCLE OF SECURITY® PARENTING PROGRAM

All children want to feel loved and safe. The Circle of Security Parenting Program has been developed with decades of evidence on ways to strengthen secure parent-child relationships.

The program supports parents to provide children with the confidence and freedom to explore their world while feeling a sense of comfort and security. The program assists parents to see behaviour as communication rather than a problem.

Experienced and trained Circle of Security® practitioners will facilitate the group sessions.

The Circle of Security® parenting program will help you:

- Support your child's self esteem
- Tune in to your child's world by reading important cues
- Understand your child's emotional needs

- Connect with your child and enjoy being in the moment
- Strengthen your bond and attachment with your child

LOCATION: Maryborough
