## MAIN BUILDING FLOOD

Over the last break we had a hot water pipe burst that has sent a considerable amount of water under the main building. If you've been in the office you would have noticed the sealed off areas to the first aid room and meeting room. Over the next few weeks, rectification works will be ongoing throughout the main building. To minimise disruption to everyday running of the school, the grades will be moved out temporarily one by one. For the next few days the year 1/2 class will be mainly operating out of the library space. We will keep you updated as the repairs progress. At this stage the office is open as usual.

## CLUSTER CROSS COUNTRY

Firstly a huge shout out the amazing volunteers who spend hours during the lunch ordering process, those who were here on the day working tirelessly to ensure all orders were correct and delivered on time, and to those out on the course steering our students in the right direction !! We appreciate your support very much, always going above and beyond in helping and providing for not only Dunolly students but the Cluster ones too.

Congratulations to all students who competed on the day. So many stories of anxious moments, nerves and then with a little courage and resilience, those stories became success and achievement.

Well done to the age group winners. These students have qualified for the next level event at Castlemaine on Friday 16<sup>th</sup> May.

- Will Young & Jonas Smith (10 yr boys)
- Addi Thursby & Kate Hunter (11 yr girls)
- Ruby Redpath (12/13 girls)
- Elliott Hallworth & Anders Smith (12/13 boys)

Parents/carers will need to transport your own children on the day. Further details will be sent home in the coming week regarding the event along with the Compass approval.

### SCHOOL COUNCIL NEWS

Finance meeting – Monday May 19<sup>th</sup> at 3.30pm

School Council Meeting – Monday May 19<sup>th</sup> at 7pm

The PFA annual Mother's Day stall will be held on **Thursday May 8<sup>th</sup>**. Gifts will be available for Mums, Grandmothers or that special person in your child's life.

Nothing over \$5.00.

Please send your child with their money in a named envelope on the day.

### **Helpers needed for the stall.**

Helpers can choose between helping students choose a gift, handling the money or wrapping the items. If you have some spare time and are interested in coming along, please contact any of the members from the PFA.

The Smile Squad team from Maryborough District Health Service are coming back to our school again this year. They will be here from Wednesday May 21<sup>st</sup> until Friday May 30<sup>th</sup>.

Smile Squad is the Victorian Government free school dental program.

This means ALL students can get a free dental check-up, preventive services, and treatment at our school.

#### **How to access free dental care**

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

OR use the below QR code:

Please complete and submit the consent form by **Friday the 2<sup>nd</sup> of May**.

Please note that it is preferred and easier for you to do the online consent form if you have access to the internet.

Paper copies of the consent form were sent home last term along with a photograph permission form. Photo permission is entirely optional. Our plan this year is to take and share more photos from our time at the schools to show the work we are doing in the community.

#### **Smile Squad oral health packs**

All children deserve a healthy smile, and the Smile Squad free school dental program is working hard to help make sure this happens.

Your child(ren) has received a free oral health pack to bring home today. The pack contains a toothbrush, full sized toothpaste, and an oral health brochure. Please take the time to read the brochure. It's full of helpful hints and tips to help your whole family eat well, drink well and clean well – for life.

#### **Standard strength toothpaste**

Smile Squad provides standard strength fluoride toothpaste that is generally used by ages six and over, unless recommended by a dental or trained health professional.

If your child is under six, please talk to a dental or trained health professional to find out if your child might benefit from using this toothpaste. You can also choose to put the toothpaste away until they turn six or give it to someone else in your family to use.

#### **Do I need to attend my child's appointment?**

No, you do not need to attend your child's appointment. You can attend if you would like to, and you can take your child to the community dental clinic if you prefer.

The Maryborough District Health Service Smile Squad look forward to seeing you soon.
