### BUILDING / GROUNDS UPDATE

The foundations in the office area have been restored and we now await the new flooring to go down and the area to be reconstructed. The office is currently located in the library and will be for the foreseeable future. We are currently updating all of our soft fall around the playgrounds. Now that the pavers/bricks order has been submitted we are in the process of getting quotes to upgrade the front entrance with the current bricks along with the new ones.

### STAFFING

Mrs Lacey will be on leave for the next few weeks so please leave a message if we don't get to the phone in time and we will return your call.

### 2026 PREPS - COME AND PLAY

Tomorrow is our second Come and Play day for the 2026 preps, 9 – 10am. If you know of someone with a prep student starting in 2026 let them know. Those who came along to the first day are welcome back tomorrow.

We are a child safe school; committed to the safety and wellbeing of all children and young people. We have zero tolerance of child abuse.

This week in TheirCare.....

Monday 2 June-Friday 6 June

This week is Safety Week! We have talked about all aspects of safety - safety in cars, safety in water, our emergency services such as Victoria Police, CFA, Ambulance Victoria and we were lucky enough to have Karen Murrell come and speak to us in After School Care on Tuesday. Karen works for St John's Ambulance attending events to provide Basic First Aid to patrons if required.

We were lucky enough to be able to get inside the ambulance to see how all the different things operated. We saw the stretcher, we learned about how and when the lights can be used. We would like to thank Karen for coming to visit us and look forward to seeing her again soon.

### Acknowledgement of Country

We acknowledge the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respect to their Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander people today.
