NOEL POLLERD SHIELD BASKETBALL

Good luck to our Year 5/6 students competing in Maryborough tomorrow at the Noel Pollerd Shield. Parents/carers are welcome to attend and support. We need a scorer/team manager for each team. If you're available, please let Miss Martin know. The fixture has been sent out to families via Compass.

NEW TRACK

Who would have thought a dirt track could create such enthusiasm for walking and running!! Our students are loving the new track which we hope to use bikes and scooters on when the weather is finer. In the meantime, the students have been walking and running each recess and brain break times. Stay tuned for more great activities coming with this!

We are a child safe school; committed to the safety and wellbeing of all children and young people. We have zero tolerance of child abuse.

The Smile Squad free school dental program is coming to our school

The Smile Squad team from Maryborough District Health Service are coming to our school at the end of August.

Smile Squad is the Victorian Government free school dental program.

This means ALL students can get a free dental check-up, preventive services, and treatment at school.

How to access free dental care

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

OR use the below QR code:

Please complete and submit the consent form by **August 21st 2024**.

Paper copies of the consent form are available. Please contact the school office if you would like to request one.

Smile Squad oral health packs

All children deserve a healthy smile, and the Smile Squad free school dental program is working hard to help make sure this happens.

These packs were sent home last week. The pack contains a toothbrush, full sized toothpaste, and an oral health brochure. Please take the time to read the brochure. It's full of helpful hints and tips to help your whole family eat well, drink well and clean well – for life.

Standard strength toothpaste

Smile Squad provides standard strength fluoride toothpaste that is generally used by ages six and over, unless recommended by a dental or trained health professional.

If your child is under six, please talk to a dental or trained health professional to find out if your child might benefit from using this toothpaste. You can also choose to put the toothpaste away until they turn six or give it to someone else in your family to use.

Do I need to attend my child's appointment?

No, you do not need to attend your child's appointment. You can attend if you would like to, and you can take your child to the community dental clinic if you prefer.

The Maryborough District Health Service Smile Squad look forward to seeing you soon.
