

TERM 3

TRANSITION TO SCHOOL PROGRAM

We are excited to welcome our future prep students to our Kindergarten to School Transition Program. The program will run over eight Thursdays from 23rd July to 10th September. It is designed to help children become familiar with the school environment, routines, and staff before they begin school.

Sessions will run from 9am to 10:30am

Each week, students will participate in a variety of activities designed to help them become familiar with school life. The activities listed below, along with other classroom routines and experiences, will support students to develop the skills needed for a successful start to school.

Throughout the program, students will practise following instructions, participating in group activities, staying focused on a task, building resilience when faced with challenges, and developing independence. They will also have opportunities to strengthen their social skills, including taking turns, sharing, making new friends, and communicating with others in a school setting.

Please contact us on 5468 1111 if you would like your child to attend any of the below sessions.

Thursday 23rd July

- Cancelled

Thursday 6th August

- Science lesson
